Day 1 JOHANNESBURG TO KRUGER, HALF DAY IN KRUGER

We depart from Johannesburg between 06h00 and 07h00 in the morning and make our way to the Kruger National Park, arriving around 12h00. Before entering the Kruger we will stop for lunch in one of the small town's en-route to the park. We enter the park and start searching for wild animals. The central Kruger Park is renowned for the high concentration of plains game species which are supported by the relatively open savannah grassland. The herds are closely followed by the prides of Lions and other predators. We exit the park at around 6 pm, The lodge is right outside the Numbi gate. After settling in to your room and relaxing a hearty dinner is served buffet style.

Day 2 FULL DAY IN KRUGER

We rise before the sun and embark on a morning game drive in the Kruger National Park in search of the big 5 - lion, leopard, buffalo, elephant and rhino. These are known to be the 5 most dangerous animals to hunt, but we get to view them up close from the safety of our vehicle. While looking for wildlife we visit waterholes, lookout points and beautiful picnic spots, stopping at regular intervals so you can stretch your legs and enjoy some refreshments and some souvenir shopping at the quaint park shops.

Day 3 HALF DAY IN KRUGER, TRAVEL BACK TO JOHANNESBURG

This morning we pack up and after an early breakfast we head out on a final game drive in search of game that may have eluded us and we exit the Kruger Park around mid-day, enjoy lunch to begin our journey back to Johannesburg.
