Rhino Walking Safaris specialises in luxury walking safaris in 12,000 hectares of pristine bushveld in the only wilderness concession situated in the Kruger National Park. The concession shares a 15km unfenced boundary with the famous Mala Mala and Sabi Sands Reserve, with an abundance of wildlife moving freely between the two reserves. A maximum of 8 guests are accommodated in luxury African Explorer Style tents at Plains Camp. Early morning walks lasting between 3-4 hours are led by 2 highly experienced rangers in the heart of Big 5 territory. Days are spent relaxing in the comfort of the 19th century naturalist retreat reading, relaxing at the plunge pool while viewing game on the plains. After a sumptuous high tea guests go out for a short late afternoon walk, sundowners in the bush & then meet the vehicle to track nocturnal creatures well into the night. After a delicious dinner fireside tales are enjoyed under inky blue skies.

An optional activity is to spend a night under the African Skies at Sleep Outs which is a giant tree house built in a thicket of Acacia trees. This is the only place in the Kruger National Park offering this unusual accommodation. Guests will enjoy sounds and senses heightened as they share the wilderness at night, while being safely guarded by our observant guides.
